

The Samuel Fox Country Inn

Comfortable rooms, fine food, real ales and a warm welcome

Wine Tasting Dinner, Thursday 3rd December 2015

On this evening, in collaboration with local wine specialists Austin's Group, we're hosting a wine tasting dinner. James has put together a mouth watering five course menu, including such tasty treats as seared scallop in a spicy crab bisque with lemon grass and liquorice and rare roasted venison loin with charred radicchio, beetroot curd and hazelnuts. The full menu, together with details of the matching wines may be viewed [here](#).

For each of the five courses, Austin's and their Master Wine, David Bird, have selected a different wine that complements and enhances each dish. During the evening, David will introduce each wine, its origins and distinct characteristics and he and his Austin's colleagues will be on hand to expand on how the wines match James's dishes. Brief tasting notes for the wines may be viewed [here](#) and a short biography of our presenter, David Bird [here](#).

The dinner, inclusive of wine is just £59.00 per head and there are optional mini bus services from both Sheffield and Chesterfield with selected pick up and drop off points en route for an additional £10.00 per head. For those wishing to make the evening extra special, why not stay over at the Samuel Fox for the special rate of £50.00 per head based on two persons sharing a double room.

Numbers are strictly limited and to avoid disappointment please call us on 01433 621562 at your earliest convenience to reserve places for this special event.
